PRESIDENT: The Chair recognizes Bill Nichol.

SPEAKER NICHOL: Mr. Chairman, members of the Legislature, just a note, there are a couple of bills that will delay us until approximately noon and I don't know of any others of you that have bills other than those two that would take longer than noon. If you do have a bill that you can't get in by noon, please let me know. So we will plan to adjourn at approximately noon and do whatever you want to between now and then but we are looking at that. If any of you have a bill that you can't get in by noon please let me know so that we can perhaps extend it a little beyond that but we should be through by noon. Thank you, Mr. Chairman.

I have LR 18 offered by Senator Johnson which would propose an amendment to Article III, Section 19 and Article XV, Section 17 and repeal Article III, Section 3 of the Constitution. That will be referred to Reference Committee, Mr. President. LR 19 offered by Senators Hefner, Howard Peterson and Merle VonMinden would propose an amendment to Article VIII of the Constitution, again will be referred to Reference Committee, Mr. President. LR 20 by the Constitutional Revision and Recreation Committee would propose an amendment to Article XV by adding a new Section 19, again referred to Reference Committee and will be treated as a bill, Mr. President. (See pages 267-271 of the Legislative Journal.)
